# California-Nevada Interstate Attendance Agreement Western Undergraduate Exchange Student Application

Students approved for the California-Nevada Interstate Attendance Agreement (CNIAA) or the Western Undergraduate Exchange (WUE) are exempt from non-resident tuition and instead pay a reduced rate of \$46.50/unit. Applications are reviewed on a first-come, first-served basis. There is a cap on the number of students that are accepted to each program each year. If the number of students is approaching enrollment limitations, the Director of Enrollment Services may enact prioritization factors in addition to eligibility rules listed below, consistent with Board Policy and Administrative Procedures.

## California-Nevada Interstate Attendance Agreement (CNIAA)

The CNIAA is a program established by the California Legislature and authorizes students to be exempt from nonresident tuition if they attend LTCC and reside in specific communities in the State of Nevada. LTCC is authorized under California Law to serve a maximum of 200 students (headcount) annually. To qualify for CNIAA, students must have maintained a legal resident status in an approved zip code for at least 12 months prior to the first day of the quarter for which the student is applying. Approved zip codes are: 89402 (Crystal Bay), 89451, 89450 (Incline Village), 89413 (Glenbrook), 89448 (Zephyr Cove), and 89449 (Stateline).

## Western Undergraduate Exchange (WUE)

WUE is a program coordinated by the Western Interstate Commission for Higher Education (WICHE). LTCC is authorized under California Law to serve a maximum of 100 Full-Time Equivalent Students (FTES) annually. To qualify for WUE at LTCC, students must meet all the following requirements:

- 1) Maintain a legal resident status in an approved WUE state for at least 12 months prior to the first day of the quarter for which the student is applying. Approved WUE states are Alaska, Arizona, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, or Wyoming.
- 2) Enroll in an LTCC Certificate or Degree Program.
- 3) Enroll in a minimum of 9 units per quarter. Exceptions are provided for programs requiring fewer than 9 units.
- 4) Maintain Satisfactory Academic Progress.
- 5) A student is eligible to participate in WUE for a maximum of 3 academic years.

Students that are declined for the WUE and CNIAA are welcome to attend LTCC but must pay non-resident tuition. Students may reapply the following quarter if their application was denied.
